GOSPEL TRANSPORT & DISTRIBUTION INTERNATIONAL

September – October 2025

Dear Pastor and Friends,

With great pleasure I write to bring you dear folks up-to-date on the happenings here at the Gospel Transport Ministry. It has been a very busy couple of months since our last letter, and there is much to tell y'all about!

In September we finished with my sweet wife's therapy sessions due to insurance not covering any more. But praise the Lord, she's doing much, much better, rarely using a walker, or any such device, as she grows in confidence walking without that kind of support. Going to church, or other places, she likes to hang onto me, (which I like as well). Please keep praying that her recovery continues!

Because of the therapy sessions, I was unable to go to a conference in Mexico, which I greatly desired to attend, but taking care of my faithful wife is, without a doubt, the priority. We were however, able to continue with our local scripture distribution, loading up pastors and soul winners with between **20,000 to 200,000 gospel tracts and booklets at a time**, along with our regular work at the open-air market, handing out between 1,000 to 3,000 gospel tracts and booklets each week. I simply cannot say often enough, that those quantities of scripture absolutely MUST have an eternal impact on the multiple thousands who are learning the truth about salvation in Christ! We have seen **a good number of decisions for the Savior** there at the market in spite of having the attendance fluctuating constantly. There are still a lot of people afraid to come out in public due to the threat of deportation. It would almost be comical if it didn't mean so many folks aren't getting the Gospel!

I was privileged once again to attend the Beacon of Truth rally in Pennsylvania the first week of October. As always, apart from being huge blessing, we made some more contacts, strengthened existing contacts and were blessed to be able to visit and preach in a couple different churches along the way coming and going. One highlight was the confirmation from Dr. Dan Hummel, the director of the Beacon of Truth Ministry, that they will definitely be a big part of our effort to establish a scripture distribution center in Paraguay, South America. We have every reason to believe that we can make this happen in the coming year. Because the preacher in Paraguay doesn't have facilities in which to store the scripture, we plan on purchasing the shipping container which delivers the material, thus giving him weather-proof storage for this load, and provide storage for future supplies as well. We will keep you updated as this develops of course, but **it's not too early to start praying right now!**

Along this same line, we finally got the container of soul winning tracts and booklets loaded and shipped to Guatemala this past week. It should be delivered within the next two weeks. The container included **one million gospel tracts**, donated by Chick Publications, along with **over 500,000 booklets and tracts** donated by Beacon of Truth and World Missionary Press. It took us nearly six months to put this all together due to numerous difficulties and obstacles, partly because it was the first overseas container we have loaded here at our ministry. The previous containers we have put together were organized through other ministries. I want to give a great big 'shout-out' to Heritage Baptist Church of Corpus Christi, Texas! They made the two-hour ride down to our location on the border with nearly a dozen men, many of whom took the day off of work, to help us get this container loaded within the two-hour time limit we had, so as to avoid extra charges. What an undeniable blessing and encouragement to associate with such dedicated Christian people! I know many of you dear folks would have done the same were y'all close enough to do so, but your prayers are just as valuable, and you don't even have to take time off work to pray! I will try to get some pictures and videos uploaded to our website soon, the address of which you can find at the bottom of this letter.

We have at least two more loads of scripture going out this year, with the Lord's help and of course we covet your prayers concerning this. So far, in this calendar year, we've shipped/distributed approximately 11 million portions of scripture, including tracts, whole Bibles and booklets! Maybe that doesn't seem like a lot to some of you, but **to the millions who will receive the message of hope, a sure salvation in Christ Jesus, it means everything!** Thank you for caring enough to pray and to give, making this all possible! Time is short, we must be busy about the Father's business!

May God richly bless each and every one of you for your collaboration in this soul winning effort!

Your servants in Christ,
